ENOW

(adj. & adv. Archaic): Enough

For many of us, 2020 pushed us to our limits – to the point that we were forced to scream, “Enough!” With my usual Pinot Noir grapes ruined due to smoke, my way of screaming at the top of my lungs was to produce this small-lot wine. ENOW!

2020 was more than enough for all of us. And yet, through our bonds with loved ones and friends, we have persevered. This wine is a testament to that perseverance; to the belief that we are better and stronger when united, for the strength we possess within ourselves is truly enow.

Adam Lee

GOVERNMENT WARNING: (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.
